THERMAC

Product Data Sheet

M-Series 350 H-type Vacuum

Key features

- **Lightweight and Portable:** easy to manoeuvre thanks its to 5 rotating castors and circular base, resulting in a lower centre of gravity
- **Durable:** The outer case is constructed of tough polypropylene to ensure it can withstand the rigours of life on site
- **Functional:** Low suction indicator light
- **Efficient:** 4-stage filtration system to deliver 99.995% efficiency
- Complies with BS 8520.3.2009

Accessories

The M-Series Vacuum comes complete with the following accessories:

- 2 metre hose
- Brush nozzle
- Crevice tool
- Floor attachment
- 3 piece wand set
- 1 x SMS vacuum bag
